We do not have responsibility with missing file of this book.

Unix for the Impatient by Paul W. Abrahams - Goodreads The book is mostly just hard copy man pages with a smattering of advice. This book caught my eye before I knew "what to look for", and I managed to read the entire book in a single cramming session for a job interview the night before. I got the job, and learned a lot about UNIX at the same time. Unix for the Impatient - maliceoftheclipse.com Paul W.
